**4th of July Parade Policies:**

This parade is not intended to simply advertise businesses or groups. Your parade entry should convey a message/sense of Americana. Remember, this is a celebration of our freedom, first and foremost.

\* NO water shooting entries, including high-powered water guns, super shooters, water balloons, or buckets.

\*NO throwing candy from floats or vehicles. A representative may walk alongside the entry to distribute candy, thereby avoiding the danger resulting from children running into the street to retrieve it.

\*All animal entries **must** clean up all animal droppings before leaving the city.

\*All fire departments are limited to 3 theme decorated vehicles.

\*All clubs are limited to 6 vehicles and must be decorated according to theme. Vehicles must line-up 2 by 2 and proceed through the parade as such.

\*Privately owned vehicles, not pulling parade theme floats, are not allowed in the parade, with the exception of antique vehicles.

\*There will be no bumper-butting allowed, at any time, for the safety of the children.

All entries not conforming to the above rules will not be allowed in the parade.
