

What is Future Omro?

The organization will work to enhance the quality of life in Omro and strive to make it a place people and employers are proud to call home. Other purposes include recruiting and retaining commerce and industry, revitalizing and restoring our downtown business district, promoting retail and tourist activities, improving the area's overall visual quality, developing the waterfront areas, and **most importantly, carrying the proud traditions of Omro forward for future generations.**

Collaborations

Organization

Fundraising, Volunteer Development, Promoting the Program

Promotions

Image and Branding, Community Events, Business and Networking Events, Tourism Development
