Application for a Free Community Outreach Spot

Organization Name _____

Contact Name(s) _____

Address _____ City _____ State _____ ZIP _____

Primary Phone _____ Alternate Phone(s) _____

E-mail _____

The Omro Thursday Night Market is pleased to allow a limited number of Community Outreach Groups a chance to interact with the public at our expense. Please describe your activity and what you plan to do at the market.

List below to indicate the dates on which you would most like to participate at the Market. Although we try to accommodate all requests, space is on a first come, first served basis and is assigned on a space available basis. In the event you would like to guarantee your space date(s), please complete a regular vendor application and include the appropriate fee.

Our spaces are 10'x10'. We will assign you to the earliest requested date that is currently available, and contact you with specific date and space information. Please complete the Market Application and Rules & Regulations Forms. Even though the majority of information may not affect you, it all applies to you.

You will not be permitted to "promote" your program by directly contacting customers in the street way. Handouts and "sign-ups" may be available, and donations accepted, within your assigned area but, again, passersby should not be approached in the street way.

If you want to use this opportunity to do some "fund-raising"; that will be permitted. Hand-crafted and home-grown items may be sold, but manufactured items are strictly limited to items advertising your group. Check with the Health Department concerning the sale of any home-processed foods, since licensing may be required.

I have read the Policies regarding the Omro Thursday Night Market and I understand and agree to follow these Policies. I release the City of Omro, Future Omro and the Omro Thursday Night Market Committee and volunteers from any liability whatsoever for theft, damages, litigation, prosecution, illegal sales practices, injury or loss of any kind associated with the Omro Thursday Night Market.
